Terms and Conditions of Sale

All prices are in GBP and exclude VAT. All sales are subject to Metalico.uk's standard terms and conditions which can be found on our website www.metalico.co.uk. Unless credit terms are agreed in advance, payments will be required in advance. Please contact us for information on applicable trade discounts and credit applications.

Delivery

Delivery estimates can be provided on request and will depend on the size of order, destination, and any special delivery requirements. Delivery estimates are provisional until a production schedule has been agreed with you and are provisional and subject to revision in the event that transport costs charged to us by our hauler increase or decrease.

General

Our products are supplied palletised in a fully assembled format. Loading weights are available on request. Metalico.uk is not responsible for the additional cost of any changes required to the order unless it has been notified prior to acceptance of the order including those caused by any unusual access requirements or other restrictions on site. These could include height, weight or size access restrictions to the location where the product will be installed, whether in terms of delivery vehicles, doorways, corridors, turning areas, lifts or floor-loadings.

Production Lead Time

All products are manufactured to order and Metalico.uk aims to deliver within a lead time of four to six weeks from order.
